

Supplementary Table 2. Illness perception questionnaire

Dimension	Item
Consequences	My illness causes difficulties for those who are close to me
Timeline	My illness will last a short time
Illness coherence	I don't understand my illness
Emotional representations	There is nothing that can help my condition
Personal control	My actions will have no effect on the outcome of my illness
	There is a lot I can do to control my symptoms
	Nothing I do will affect my illness
Treatment control	My treatment can control my illness
	There is very little that can be done to improve my illness
	The negative effects of my illness can be prevented (avoided) by my treatment
